2023 exhibitors who are invited back to participate in the 2024 Fair need to complete the application and **submit with the proper fees by March 31, 2024 if they want their same location as last year**. Take advantage of our **EARLY BIRD SPECIAL** by submitting your payment prior to May 31, 2024. Please note that you must indicate your product for **no more than 3 categories**. Anyone with new products or with product concerns raised by the Jury during the 2023 Fair may be asked to jury again. All rules apply to private property vendors as well. Private Property refunds will be issued before the Fair.

New Applicants will be juried. Applications must be complete, signed, and accompanied by the appropriate fees. Applicants will be notified in June of their status. **Take advantage of our EARLY BIRD SPECIAL by submitting your payment prior to May 31, 2024.**

**Jurying Procedure:** New applicants and applicants who are being juried again must submit 3 photos for each category entered, as well as one photo of your work space, showing raw materials. Electronic submissions are also acceptable. Each photo must be labeled clearly with the exhibitor's name, medium and must be representative of the work which will be displayed. Photos will not be returned.

Photo clarity, type of product, written description, product originality, and workmanship will be determining factors for acceptance or rejection in the Fair. Each new applicant will be individually juried in each category in which they are applying (maximum of 3) according to the description and photos submitted. If an application is rejected, the space fee and the City of Little Falls Large Scale Street Fair license fee will be returned to the applicant. We do not provide reasons for not accepting an applicant. Please be aware of this condition before applying. There will be on-site jurying of all vendors during the Fair to judge compliance.
